Lunch will be available to purchase on Friday and Saturday
Students are responsible for stalls, RV, food, meals and lodging

Clinic starts at 1pm on Thursday June 24th with Charmayne evaluating your barrel run and then riding your horse through the pattern. When your evaluation with Charmayne is complete feel free to get a no charge evaluation from Charmayne's Performance Equine Dentist and Chiropractor. After evaluations are complete, Charmayne will give a demonstration to be followed by the equine performance dentistry lecture. Friday and Saturday the clinic starts at 8am with drills and the afternoon will be barrel pattern work. Sunday is a race only starting at 8am and will end around 10:30am

Approximately one to two weeks prior to the start of the clinic you will receive an email. In that email, there will be information how to download the app to schedule your evaluation time. Also included will be the clinic schedule, rider questionnaire and waiver. If you don't receive the email, please check your spam folder.

knowledge | experience | success

Please print and fill out the attached rider questionnaire and waiver provided in that email and bring to your evaluation. If you are not able to print the questionnaire and waiver, they will be provided at the clinic at the main arena around 12:30. Your evaluation time is your check in time.

Allow enough time before your evaluation to fill out the paperwork and get your horse saddled and warmed up. Please bring your paperwork with you to your evaluation. You can give the paperwork to one of Charmayne's assistances or put in the binder in the correct time slot.
