The clinic starts at 10am on Thursday April 1st with Charmayne evaluating your barrel run and then riding your horse through the pattern. When your evaluation with Charmayne is complete feel free to get a no charge evaluation from Charmayne's Performance Equine Dentist and Chiropractor. After evaluations are complete, Charmayne will give a demonstration to be followed by the equine performance dentistry lecture. On Friday and Saturday, the clinic starts at 8am with drills and in the afternoon will be barrel pattern work. The clinic will end with a barrel race on Saturday evening.

Approximately one to two weeks prior to the start of the clinic you will receive an email. In that email, there will be information on how to download the app to schedule your evaluation time. Also included will be the clinic schedule, rider questionnaire and waiver. If you don't receive the email, please check your spam folder.

Please print and fill out the attached rider questionnaire and waiver provided in that email and bring it to your evaluation. If you are not able to print the questionnaire and waiver, they will be provided at the clinic at the main arena around 9:30. Your evaluation time is your check in time.

Allow enough time before your evaluation to fill out the paperwork and get your horse saddled and warmed up. Please bring your paperwork with you to your evaluation. You can give the paperwork to one of Charmayne's assistants or put it in the binder in the correct time slot.

Clinic questions please email.
